Mr. Aaron Copland
Rock Hill R.F.D.I.

My Dear Aaron:

I often think of your momentous visit to the California State College at Long Beach which made history. I know that this is all in a day's work to you, and perhaps you are not fully aware of the tremendous amount of lasting good you did in inspiring all those young people, (also the undersigned older specimen).

This is by way of sending you my good wishes for a Happy and Prosperous New Year. I have been away a great deal in the latter part of this year, including a three months tour around the world, conducting and playing solo extensively in New Zealand and Israel, etc.

In the coming summer, I have no specific plans and if you feel that there is a place for me to do some useful work in the Tanglewood set-up, I would be most gratified, as one of my major interests has been the Chamber Symphony literature and perhaps I could make a specific contribution in this area.

With kindest regards.

Yours most cordially,

HENRI TEMIANKA
