BIRTHDAY GREETINGS!!
(collective)

But we are not counting any more-- omly thinking in terms of glacial epochs. I am still on the road and will call you when the dust has settled-some time late this month.

Meanwhile here are the maneuvers as well as I understand them.

Up thru first week in December-out of town,
December 13 - Jan 7: Europe, mostly Emglan
Jan 8 - Jan. 21: New York.
After last week in Jan. Back at the Casa.

I have trips to Australia and New Zealand in early spring and also am planning a trip on a slow boat no where in particular so I can get some writing done. But I will plan on putting the arm on you whenever in 1991.

LOVE!
