Dear Norman:

I am deeply engrossed in The Pathology of Power, surely one of the most important books written in my lifetime. Would that it were read aloud, word for word, to the "leaders" who, step by step, are leading us to the brink of nuclear annihilation.

I am deeply touched, as is Emmy, by your thoughtfulness in sending us an inscribed copy of the book. How privileged we are to bask in your continuing friendship and affection. You have enriched our lives beyond measure.

With warmest greetings to you and Ellen,

Yours devotedly,

Henri
