Dear Mr. Temianka:

This is to announce that after a lull of some twenty five years, the Edwin A. Fleisher Collection of Orchestral Music is again, actively seeking works of Latin American composers and is trying to contact conductors who may be interested in performing these works.

Among those composers whose complete orchestral output we are acquiring, the Argentinian composer Jacobo Ficher stands as an example of unwarranted neglect.

Most of Ficher's works, as well as many other fine Latin American composers' orchestral works, may be found in the Edwin A. Fleisher Collection. If we do not have them, we can, in most instances, help locate them.

If you wish further information, please do not hesitate to call or write.

Sincerely,

THE EDWIN A. FLEISHER COLLECTION
