Dear Henri:

We are writing to ask you to serve with us on the Advisory Committee for the Chamber Music America Tenth Anniversary Conference, to be held in Los Angeles, January 17-20, 1988.

This will mark the first time that CMA's annual conference will be held in a city other than New York. The Music Director of the Los Angeles Philharmonic, Andre Previn, will deliver the keynote address, opening an event that will mark the beginning of a year-long celebration of chamber music across America. We believe this will be an exciting and prestigious further confirmation of the important role Los Angeles plays in the cultural life of our nation.

The Advisory Committee will be a resource for the Directors and staff of Chamber Music America; however, no meetings of the Advisory Committee are planned, and no personal financial contributions will be solicited from Committee members. As a member of the Advisory Committee, you may be asked for guidance from time to time as to Conference plans. Since there is a certain amount of fund raising to be done, you may also be asked for ideas for possible funding sources.

Most importantly, your willingness to serve will demonstrate to funding sources and to chamber music lovers across the country that the leaders of Los Angeles' cultural community are united in support of welcoming the Chamber Music America Tenth Anniversary Conference to Los Angeles.

We will be calling you in the next few weeks to get your response. We hope you will join us.

Sincerely,

EDMUND D. EDELMAN  
Supervisor, Third District

ROBERT L. MARTIN  
Vice President, Chamber Music America
