Dear Henri:

Many thanks for your letter of April 4th.

I read the Downbeat review you enclosed with great interest. Shelly had already told me about the tremendous success of your joint concert.

I am interested and intrigued by this idea. By any chance, did anybody make any private tapes of the concert? I would very much like to hear a few excerpts, should this be possible.

My main problem at this time is that I am involved in so many projects that I don't know which way to turn. In any event, next time I am in California I will contact Shelly, and perhaps we can have a drink with you and have further discussions on this possibility.

With best wishes,

Cordially,
