Dear Henri:

It was good to find your note when I came back from my very long and pleasant vacation last month. I am delighted that your tour of South America proved so illuminating and encouraging. And I am glad to know that you will find it possible to be at home for two months and to give a series of lectures for the Beverly Hills Unified School District.

We have been making some interesting plans for developing a television course in the humanities for the third year of high school in the Boston area. Sometime when these plans ripen up I hope to have a chance to talk over with you what might be done in music for such a program.

Gladys joins me in affectionate regards to you and your family.

Faithfully yours,

Clarence
