Dear Henri Temianka,

This year is the Lindberg year, the fiftieth anniversary of the flight to Europe.

Although I am not a friend of Lindberg's due to his political attitude, there still are the names of Brecht and Hindemith involved who have written and composed the "Lindbergflug". It had been performed at the Berlin State Theatre, and I was at the Premiere. Maybe this is of interest to you.

Since we saw each other, I had a cataract removed from my left eye and a plastic lens implanted. That was the reason I could not be present at your last event at the Getty Museum. I am all right now.

*My best to you, Emmy and your sons  
Marta F.*
