Dear Temianka,

Many thanks for your letter of the 15th. Carl had not told us anything about your pain in your hand. Curious what you had there! What did you do with your middle finger? I congratulate you that everything went so well. Otherwise things go very well here. For the rest, we will do that verbally. I will be staying at the Albany House, 16 Park Village West. I am arriving on the 27th of February, approximately at 7:00 in the evening. So, I'll see you soon and best greetings, also from my wife.

Yours,

Flesch
