SACRAMENTO 95814

November 24, 1986

Mr. Henri Temianka  
2915 Pacificia Avenue  
Los Angeles, California 90064

Dear Henri:

Thank you for your kind wishes of support and expressions of concern during my recent hospitalization and recuperation. They came when I needed reassurance the most.

This brutal attack was the most threatening and emotional event I have ever experienced. Believe me, I feel very lucky to be alive. However, I am recovering nicely and I will be as good as new in no time.

My doctors are amazed at how quickly I'm recovering. They say my secret to survival would be worth a fortune to professional boxers. I guess it helps to have a hard head!

Your warmth and expressions of concerns have greatly aided in my rapid recovery. I'll never forget your kindness.

Sincerely,

*Mark*
