Los Angeles, California 90028

Dear Mrs. Hecker:

If there was a moon projected on the scrim in "Salome," I failed to recognize it as such. Besides, the moon should be in the sky in the background, not out in front of the stage. And please be assured, our reviews do not reflect any personal antipathy. For my part I simply try to report what I hear as I hear it.

Sincerely yours,

Albert Goldberg

wherein I asked if he were carrying
on a personal vendetta with you
and asked why he never said anything
about you as a musician or conductor
or your role in the Community -
