Mrs. G. De Parks

Dear Mrs. Gallagher de Parks;

Your kind letter of September 20th reached me by October 1st, but I have received no further communication from you since.

I am now wondering whether the official letter of which you spoke may not have gone astray in these days of uncertain communication and I thought it best to send you this note.

The information contained in your personal letter was most interesting and I am very pleased to know that the position in Lima leaves sufficient time for concert tours abroad. I shall look forward to your further information.

I gave the Menuhin's your regards and they were delighted to have news from you.

Yours sincerely,
