Los Angeles, California 90015

Dear Roberta:

While we are still in the midst of trying to raise the necessary funds to complete the video taping of the proposed ten concerts, entitled "Meet The Masters", it is Mr. Temianka's wish that the first of these tapes, which both you and Muriel Dawley viewed, shall immediately be made available to you for unlimited use.

Would you please advise me what exposure your department can project for this "Meet The Masters" tape?

Whatever happened to your and Muriel's industrious efforts to lay the groundwork for a Title III grant? And while we are on the subject, what mortality factor is presently quoted on Title III funding in Washington, D. C.?

With kindest personal regards,

Cordially yours,

Werner Gebauer, PhD.
