Dear Henri Temianka,

I got a call yesterday from our mutual friend Jan Henrik Kayser who told me about your coming to Oslo, eventually Bergen. By the way Arne Nordheim had also mentioned it when we met somewhere this spring and he gave me your greetings. Personally for me it would be wonderful to meet again after so many years, and of course it would be of the highest interest for this institution if you could find the opportunity of "doing something" here in way of lecturing e.g. or what you would like to propose.

Could we not get in touch directly, and could you let us know your conditions for coming over?

In the meantime many hearty greetings from

Ernst Glaser

P.S. By the way: Lizzie is staying at ours in Oslo until the 11th of september.
