The Fund for Excellence
Inspiring a Tradition of Consummate Perfection

The Fund for Excellence celebrates the achievement of School of Music students, alumni and faculty. The fund enriches the experience of all students in the school who aspire to a standard of performance first described by a Salzburg review of the Chapman University Singers: "The performance itself was one of consummate perfection, down to the smallest detail." By contributing to this fund, you help to provide essential discretionary resources that enable the School of Music to increase student scholarships, recruit stellar faculty and visiting artists for master classes, support program enrichment, acquire cutting-edge technology, and fund travel for our renowned student touring ensembles. All contributors to the fund will be recognized as Chapman Music Associates Partners in Excellence and will receive special benefits as supporting friends of the School of Music.
