Moscow, 15 - II - 62.

Dear Henry,

A few days ago I returned to Moscow after a three-week long concert tour and found your telegram. Unfortunately, I still cannot send the telegraphic message you are writing about, to "Columbia," because I have not yet received the schedule of my next concert tour. It is being delayed due to the fact that the final agreement about that tour has not been reached yet. Besides, I will be playing some of my concerts with the Leningrad Philharmonic Orchestra, which leaves on its United States tour at roughly that same time, and it is still not known to me exactly when and where I am supposed to be performing with them. Additionally, I do not feel entirely comfortable about discussing this matter with "Columbia" directly, since all the negotiations with them are being conducted by our state concert organization "Gosconcert." I want to assure you that it will be a great pleasure for me to perform with you if and when such an opportunity arises, and you may inform "Columbia" about that. Naturally, this will only be possible, if my performance in Los Angeles is not scheduled to be one of those with the Leningrad Philharmonic Orchestra.

Tamara and I always have the warmest memories of you, your dear family and our music making at your house. Soon you shall probably see our Igor, who has just started his American tour, which should take him to Los Angeles shortly. I am sending my sincere friendly greetings and the best wishes to you and your entire family.

Yours,

David
