CHAPMAN UNIVERSITY SCHOOL OF MUSIC

The mission of the School of Music at Chapman University is to provide an outstanding education for the professional and intellectual development of artists and scholars in a supportive, rigorous liberal arts environment that enriches the human mind and spirit. We aspire to establish a musical and academic foundation for life-long growth through programs and degrees that are tradition-based and future-oriented and to serve as a cultural center for the University and community at large. The School of Music offers the Bachelor of Arts in music and pre-professional programs leading to the Bachelor of Music in composition, music education, music therapy, and performance.

In frequent demand for performances, the instrumental ensembles have performed at the National, Divisional, and State conferences of MENC: The National Association for Music Education. While the ensembles are comprised of primarily music majors, students from all disciplines are invited to participate in the instrumental music program. The ensembles tour annually on the West Coast of the United States, and in the summer of 2006 will embark on a performance tour of Australia to include performances on stage in the world-renowned Sydney Opera House.
