Dear Henri:

What fun to hear from the lovely Temionkas!

We, or rather I, am in the midst of moving. I say: I, because Walter sitting comfortably in his beautiful office has nothing to do with such grimy details. While we were still in Aspen Walter sold our apartment, where we have lived for twenty-three years, and now we have to get out by November first. After that date, if and when you and Emmy come through Chicago, call us at the Drake Hotel; that is going to be our new home. It won't be as nice as here but it will be a lot easier on my back and nerves than this large apartment.

As for Nina + Lenny — they happen to be nesting under my present frontie wings. They did not go to the West Coast official because Bob Hutchins wanted to see Lenny in Chicago at this time. If they had gone to Los Angeles you can be sure that your telephone wires would have been hot and your home invaded. That is the way we all feel about the Temionkas; we love them **PASSIONATELY**.

We would not only have invaded your home; but COMMANDERED your every waking moment. Don't be too sure — we may still do it sometime — much to your horror and our delight! — With much love to you and Emmy from both of us — Nina

Kisses all around.
