Dear Marni:

I hope this finds you happy and full of exciting career expectations.

You will recall the "Meet The Masters" videotape number three to which you contributed so glamorously and effectively. The tape has been shown to the educational enlightenment of many a child and adult.

Due to an oversight (of which our legal counsel advises me) we were remiss in asking for your written release at the time of taping.

However, belatedly may I ask you to attend to it now? Kindly sign the enclosed forms. Keep the copy, and return the original to me immediately in the self-addressed stamped envelope.

With kindest personal regards,

Cordially yours,

Werner Gebauer, PhD.
