Dear Henri:

I appreciated your letter of February 9th but still do not know the precise makeup of your orchestra since you mentioned no figure.

Are you ten, twenty? More?

I have a work for string quartet, woodwind quintet and light percussion called Collage which was commissioned and premiered at the University of Wisconsin/Milwaukee in 1973. Playing time is 10 min.

I don't know if this fits into the picture you envision for next season but, for better or worse, there it is.

Best regards,
