# BIOGRAPHIES

The **College of Performing Arts** is the cultural and aesthetic center of Chapman University, bringing together the Conservatory of Music and the Departments of Art, Dance and Theatre. Emphasis is placed on scholarship, creativity, free expression and intellectual curiosity through both curricular offerings and a broad spectrum of cultural events. College of Performing Arts students have the opportunity to be part of special events such as Chapman's American Celebration, a Broadway-style musical revue that serves as the university's largest annual fundraiser. Under the leadership of **Dr. William Hall**, Dean of the College of Performing Arts, Chapman University has plans for a new performing arts complex on the Orange campus that will serve the needs of our students and the entire community.

The **Conservatory of Music** is one of the nation's premier music programs and is accredited by the National Association of Schools of Music. The music complex of Berteau and Oliphant Halls total more than 44,000 square feet of state-of-the-art facilities that serves 225 majors and 400 university students daily. The Conservatory has a rich tradition in the arts, with many of its graduates performing with major orchestras and opera houses throughout the United States and abroad. The Conservatory of Music is internationally recognized and offers students a conservatory experience within the environment of a liberal arts university. Faculty members are nationally and internationally recognized performers, conductors, composers, and educators. Degree programs offered include the Bachelor of Arts in Music; Bachelor of Music in Composition, Performance, Conducting, Music Education (pre-certification) and Music Therapy.

The **Wind Symphony** at Chapman University has earned a reputation for its breadth of musicality and consistently high level of performance. Since its formation in 1995, the ensemble has presented featured performances for the state conference of the California Association for Music Education (1997, 1999, 2001, 2003, 2007), the Invitational Band Festival at the Orange County Performing Arts Center, and the Orange County Millennium. The Wind Symphony tours bi-annually on the West Coast of the United States, and recently returned from a triumphant performance tour of Australia that included a featured performance in the world-renowned Sydney Opera House.

**Robert Frelly** serves as Music Director and Conductor of the University Wind Symphony, as well as the Director of Music Education within the Conservatory of Music. In addition to wind conducting, he is active as an orchestra conductor, presently serving as the Music Director of the Yorba Linda Symphony Orchestra, and is the Founder and Music Director of the Southern California Youth Philharmonic, a program of 5 ensembles now in its 25th season. His previous posts include Associate Conductor of the Long Beach Symphony, Music Director of the Southern California Pops Orchestra, and Music Director of the University of Southern California Community Orchestra.

Equally at home in the classical, jazz and pop genres, Dr. Frelly has worked with a number of prominent artists, including Doc Severinsen, Bill Conti, Skitch Henderson, and the Empire Brass. He has conducted for film and opera, and is a frequent guest conductor for all-state and regional honor bands and orchestras. On the international stage he has led performances in 12 countries and recently served as the Artistic Director of *Orchestrating Sydney*, an international music festival that brings together youth and college musicians from around the world for musical and cultural interactions at the famed Sydney Opera House. Additional international appointments include: Artistic Director of *An American Orchestral Salute to the Olympics*, an orchestra festival in Beijing *Perform In Harmony - With Olympic Spirit*, the countdown program for the summer games to be held in China in 2008; Artistic Director of *Follow in Holst's Footsteps*, a band festival to be held in London in January, 2009; and, Artistic Director of the *Tale of Two Cities Orchestra Festival* to be held in Vienna and Prague in June 2009.

An accomplished conductor and educator, Dr. Frelly is the author of a music instructional video series, *An Introduction to the Orchestra* and is currently preparing a manuscript devoted to conducting and musical interpretation. Dr. Frelly has presented clinics and workshops for numerous local, regional, and national arts organizations, including MENC, the Mid-West International Band and Orchestra Clinic, the American Symphony Orchestra League, and CMEA. At present, he is a member of the Board of Directors for the Association of California Symphony Orchestras and the Directors Council of the ASOL. His past leadership roles include President of CMEA/Southern Section and Chairman of the Youth Orchestra Division of the ASOL.

Dr. Frelly holds a Doctor of Musical Arts from the University of Southern California and a Master of Music in Instrumental Conducting from CSU, Long Beach, where he was inducted as a member of the Graduates Dean's List of University Scholars and Artists.
