IL CORO DELL'UNIVERSITA' DI CHAPMAN

The College of Performing Arts is the cultural and aesthetic center of Chapman University, bringing together the Conservatory of Music and the Departments of Art, Dance and Theatre. Emphasis is placed on scholarship, creativity, free expression and intellectual curiosity through both curricular offerings and a broad spectrum of cultural events. College of Performing Arts students have the opportunity to be part of special events such as Chapman's American Celebration, a Broadway-style musical revue that serves as the university's largest annual fundraiser. Under the leadership of Dr. William Hall, Dean of the College of Performing Arts, Chapman University has plans for a new performing arts complex on the Orange campus that will serve the needs of our students and the entire community.

Il Collegio delle Arti Performative è il centro di Estetica e Cultura della Chapman University. Riunisce in sé il Conservatorio di Musica ed i dipartimenti di Arte, Danza e Teatro, dando così grande importanza alla ricerca, creatività, libera espressione e curiosità intellettuale in tutti i suoi corsi ed eventi culturali.

The Chapman Conservatory of Music is one of the nation's premier music programs and is accredited by the National Association of Schools of Music. The music complex of Berteau and Oliphant Halls total more than 44,000 square feet of state-of-the-art facilities that serves 225 majors and 400 university students daily.

The Conservatory has a rich tradition in the arts, with many of its graduates performing with major orchestras and opera houses throughout the United States and abroad. The Conservatory of Music is internationally recognized and offers students a conservatory experience within the environment of a liberal arts university. Faculty members are nationally and internationally recognized performers, conductors, composers, and educators. Degree programs offered include the Bachelor of Arts in Music; Bachelor of Music in Composition, Performance, Conducting, and Music Education (pre-certification).

Il Conservatorio di Musica è uno dei più rinomati programmi di musica negli Stati Uniti ed è accreditato dalla Associazione Nazionale di Scuole di Musica. Il complesso di Berteau Hall e Oliphant Hall è un centro di 3,960 metri quadrati con attrezzature all'avanguardia che ospita 225 studenti di Musica e 400 studenti di altre discipline. Il conservatorio ha una ricca tradizione nelle arti, e molti dei suoi laureandi suonano con importanti orchestre e cantano in rinomati teatri lirici negli Stati Uniti e all'estero. Il Conservatorio di Musica è riconosciuto a livello internazionale e dà la possibilità agli studenti di trovarsi in un conservatorio ma nell'ambito educativo di un'università. Membri della facoltà sono riconosciuti conduttori, compositori, cantanti e musicisti a livello nazionale ed internazionale. Le lauree offerte includono il Baccalareato di Musica in Composizione, Performance, Conduzione ed Educazione alla Musica.
