Dear Mr. Temianka:-

I was very happy to get your friendly letter and to know that in principal you are interested in the idea of making recordings at some future date. Of course I understand that since you have already made some recordings with other pianists they would naturally have priority. However, should you ever find that you might fit me in with your plans, I would be very grateful for the opportunity.

I am sure you are having a very successful tour, and wish you many triumphs in your travels.

Carroll and I are the proud parents of a little girl born just a few days ago. This is our second daughter, and our first born, now age five, is very happy to have a baby sister.

I would consider it a distinct favor if you would get in touch with me the next time you are in New York (I think your letter mentioned May), and I shall look forward eagerly to seeing you.

With many thanks again for your very heartening reply to my suggestion of a possible future collaboration on records, I am,

Most sincerely,

Eape (Lit)

Carroll and warmest greetings!
