Dear Dr. Logan:

Thank you very much for taking the time to give us your valuable thoughts on our conductor discussion. These ad hoc discussions rarely get to the heart of the matter. I agree with you that conductors should do more audience education at concerts, of which I am a pioneer.

I enclose an announcement of my concerts at the Taper and hope you can attend one of them. You might be pleased to discover that the educational approach you suggest is at the heart of all my concerts.

Thank you for your comments.

Yours sincerely,

Henri Temianka
