Dear Henri:

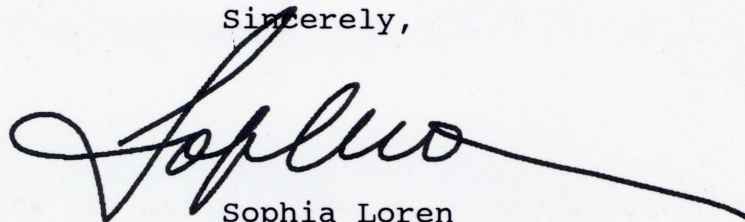

I wish to take this opportunity to express my deepest appreciation to you for sending us your sketch for Pepperdine University's Celebrity Sketch Auction. The auction was a great success, raising more than \$10,000 for the Center for the Arts Guild!

Funds raised from events such as this will provide direct support to the mounting of exhibitions and to the presentation of performances and residencies with visiting artists at Pepperdine. It was especially meaningful to me that so many of my colleagues from the entertainment industry and the media responded so positively to my earlier letter. We received 86 "works of art" that were creatively displayed at the auction. Several hundred people enjoyed this fun-filled day with my fellow Guild member John Raitt serving as the auctioneer.

Thank you again for making this inaugural event such a resounding success. I am especially grateful for your willingness to assist us in our efforts to enhance the arts at Pepperdine University, which will benefit the students and the faculty and the entire Malibu and surrounding communities.

Very best wishes to you and yours for a special holiday season.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sophia Loren', with a long horizontal flourish extending to the right.
