Mr. Henry Temianka
2961 Motor Avenue
Los Angeles, California

Dear Mr. Temianka:

After consulting Dr. Trillingham, we have set up a date for the pilot concert. The earliest date that we found was Tuesday, January 8, 1957 at 7:30 p.m. at the California Teachers Building at 1125 West Sixth Street, Los Angeles, California. If you can, we would like you to stop by at that address to see if the room will be appropriate for your group.

Mr. Ford was invited and even asked to name a date, but I'm afraid we will have to be content with a deputy representing him. Dr. Trillingham has the date saved for us. We plan to invite music consultants, superintendents and curriculum directors from all the larger districts in this area and possibly in surrounding counties.

We hope this planning meets with your approval. If not, we still have plenty of time to make changes.

Sincerely,

Roberta McLaughlin
