Dear Henri,

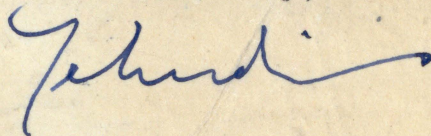

How very ~~amused~~ ^{sweet} of you to send me those kind and friendly words. I too have often thought of our chamber music seances and of how great a joy it would be if some day they could be resumed.

I feel ashamed not to have written you to express my enormous admiration and the deeply moving impressions I have received from the superb recordings you have made with the Paganini quartet. I have heard your Beethoven quartets and the Debussy. Their beauty and performance are beyond description.

We are having a lovely holiday here in Mürren, an extraordinary remote and suspended spot on a high grassy ledge of the Alpes, facing the Jungfrau and several other of her ladies-in-waiting. It is a most beautiful ~~spot~~ ^{place} and only a little over two hours from Berne and in the center of the wonderful old Continent.

Affectionate wishes in which Diana joins,

Yours devotedly,

Mr. Henri Temianka,
