Dear Henri:

We are all delighted with the excellent way you handled the Youth Concerts here last Sunday. Your comments were well-chosen and presented with an informality that reached the children directly. We have never had such attentive audiences.

Thank you very much for the consideration you showed to young Loel Davis. You put him at his ease and helped him to meet a very big challenge for his age.

The slides of the Mozart Table Music are 35 mm. You are welcome to borrow them at any time.

May you and Emmy and your family have a very happy holiday season.

Sincerely yours,

Harlow Mills
