Dear Sirs:

Enclosed is our check for \$900 for the concert of the Paganini Quartet, with Henri Temianka as commentator for our Youth Concert Series on December 9th.

The concert was completely successful in every way and the 5000 children who attended the two performances were completely captured by Mr. Temianka's informal comments. We were also happy to be presenting a fully professional quartet for this children's program. We feel that the quality of performance is an important factor in its acceptance by young people.

Sincerely yours,

Harlow Mills
