LESTER M. MORRISON, M.D.  
DIRECTOR

Dear Emmy and Henri:

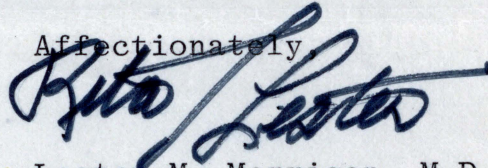

Rita and I have just returned to town to find the kind note you sent and the smashing photographs taken of Rita and myself at the Allegro.

Although the colored photograph is beautiful, expertly done and handsome in all details -- I will offer any reasonable sum of money to suppress its distribution since I was caught in the act of hunting for cholesterol molecules in a darkened corner while completely unaware that I was being caught "red-handed."

The above search for the unholy grail is not to deny that Rita and I had a most enjoyable time and were delighted at the celebration and congratulate you on your extraordinary creation of the California Chamber Symphony. It is always a source of amazement to us that you have overcome all kinds of obstacles by such an Herculean accomplishment. It is a kind of inspiration to us to see how fortitude, endurance, persistence as complements to talent can achieve.

With love from Rita and me to you and the children,

Affectionately,
