Dear Henri:

What a treat! Here we are looking at Heifetz, Rubinstein, and Victor Borge. The tapes are magnificent and of course the playing is absolutely superb.

You are a good and kind friend to send me these and to have come over personally for a visit in the short time that you had in San Francisco. It was a great joy to see you. Lise and I have taken off for a couple of weeks of vacation in the Hawaiian Islands which will be an opportunity for me to regain my strength and regain some weight.

Last night I played string quartet for the first time and it was a great joy. As soon as copies are made of the tapes, they will be returned to you.

We think of you often and with great affection and we look forward to seeing you when we come to Los Angeles next time.

With much love to you and Emmy, warmly

Peter (2B)
