Dear Henri,

Just a note to tell you that I'm looking forward to seeing you shortly and starting preparations for the Toronto engagement. I saw Messrs. Neel and Schabus at the Columbia Christmas party last Saturday and had a nice chat with them. Also, I enjoyed the communication from you regarding this challenging and rewarding assignment.

I'm arriving home this coming week-end, and will phone you. We can then set up a rehearsal schedule.

My tour has been going extremely well. In fact, I cannot remember a more pleasant and enjoyable series of concerts. I'm

Happy to say that my concerts have been well received everywhere, but the highlights of this fall schedule have been the successes in New York, St. Louis, Seattle and San Antonio. In New York, I had a distinguished audience that was wonderful to me. In St. Louis, a re-engagement, I played and recorded Rachmaninoff's 2nd with Golobchmann and his splendid orchestra, and this was a particularly gratifying success. In Seattle I had the pleasure of playing for some 9000 persons in two recitals on the big Community series there. In San Antonio, my ovation after the Prokofieff 3rd with Alessandri & the orchestra contained much yelling and feet stamping!

May you and your family have a very happy holiday season and New Year. See you soon! Most cordially. Konrad
