My Dear Stacey:

Emmy and I are now in the process of admiring the end result of your devoted and talented efforts. You have captured the essence of those two divergent personalities, Emmy and Henri Temianka, and people will be wondering how many months you have spent studying us from dawn to dusk.

Our grateful thanks also for sending us the advance copies of the article so promptly, as well as the ten additional ones.

You will be receiving a pair of invitations to my opening concert of the season in October, and I look forward to seeing you again.

Yours always,

HENRI TEMIANKA
