Dear Jimmy and Henry,  
Thank you for your  
friendly letter.

Now David is on the  
way to recover. It has  
been a long story.

Long, because when an  
illness came to end, there  
came something new.  
He never took care of  
his health. And there  
have been different  
weak points in his health,  
he didn't know about.  
And when it began  
there came on the surface  
everything, that has been  
hidden in the depth.

Doctors think, that David  
health suffered from  
functional disordning,  
due to his <sup>vegetative</sup> nerve system  
that has been too exhausted.  
But he didn't have some  
orgainical damages in  
his heart and that  
everything can be restored.  
And now, I hope, that  
finally he really recovers.

He plays violin, and in  
october will begin  
his work in Conserva-  
torium. A little later  
his concert.

With cordial greetings  
and affection David  
and Tamara
