Kaiser Wilhelm-Straße 23

Baden-Baden, den 18.6.'33.

Mr. Henri Temianka has studied with me during several years in the United States and in Europe. During this time he has developed into a violinist of high rank, endowed with exceptional gifts, both technically and as a musician. At the same time he has made an intense study of my method of teaching, of which I consider him the best exponent in England. Therefore I can recommend him with the best conscience and very warmly both as soloist and as teacher.
