Most adored Henri:

Such excitement!

In my moments of wildest
fantasy I have never imagined
anything which could give
me greater pleasure than
this news in your letter - that
I shall really see you next
winter. When I came to
that part of your letter
I had to read it over two

II.

on three times before I could believe my eyes. It seemed too wonderful. But why couldn't you play in October, why do I have to wait until February? That was very thoughtless of you.

Europe may as well be another planet for all the chance I have of seeing it again in the very near future. I am playing the summer concerts at the Robin Hood

Dell which last until the middle of August and I couldn't possibly get away even if I could manage, by using all of my feminine repertoire of witchcraft, to charm a handsome sea captain into transplanting me to your planet. Nevertheless, it was very sweet of you to think of it and to want me to come.

Your descriptions of
your future activities in
Scotland and America were so
very amusingly written that
I could only ^{read} them in sections
I was laughing so. But why,
may I ask, are you intending
to land where Columbus landed?
Are you giving concerts in the
West Indies previous to your
New York recital? I had hoped
that you were coming directly

to the United States.

Sylvan is married again.
This time to the former Elizabeth
de Young Speiser.

What an interesting,
enjoyable letter you write.
This last one is a little master-
piece. I pay tribute to that
half a tear shed in my honour.
The real affection that it gave
you such happiness & sense
in my letters to you is, indeed,

VI.

a most genuine one, and
it gives me happiness in
knowing that it is one of
the most genuine, unchanging
things in my life.

Your affectionate and faithful,
Lois
