The Honorable Thomas M. Rees
Congress of the United States
House of Representatives
1113 Longworth Building
Washington, D. C.

Dear Tom:

I warmly appreciate your efforts on behalf of my Chamber Symphony Society with the National Arts Council. I have also received a letter from Mr. Wallace B. Edgerton to this effect.

I want to take this opportunity to express my agreement with the position outlined by you in your congressional letter. I deeply share the feeling of most of the people around me, that our moral position in Vietnam is indefensible, and that everything must be done to prevent a further escalation of the conflict. I hope you will support any move to persuade our government to agree to U Thant's proposal for peace negotiations, without any modifications or conditions.

With every good wish,

Yours cordially,

Henri Temianka
