Dear Henri:

The symposium for the Distinguished Artists Forum of The California State University (CSU) will be held on the California State University, Fullerton campus from November 15th through the 17th. The attached brochure describes the events planned for these three days which include the contributions of several Distinguished Artists Forum members whom we have called upon to be active participants.

The opening banquet is planned this year to honor all of the CSU Distinguished Artists Forum members and I am pleased to invite you and your guest to be our guests on this special evening. Your contributing association with individual CSU campuses, with CSU Summer Arts and other system programs greatly enriches the arts education mission of the CSU. I hope that you can join with me and the arts faculty and administrators from our nineteen campuses as we open the symposium on this year's theme "Tomorrow's Artists: The Future". Please RSVP to Dr. Diane Vines, 213/590-5768, if you are able to attend.

I hope to see you in November.

Sincerely,

W. Ann Reynolds
Chancellor
