Dear Roy:

I greatly appreciate your letter. It is indeed the communication of a friend. No one told me that "The Lincoln Center Story" was not the subject they wished, and I therefore assumed that it was. Give me a little time to think and I will gladly come up with one of a more general nature, in which Lincoln Center and other arts centers would figure, but not as the exclusive subject matter. My thought at the moment is "Music Today; One Man's Perspective."

In any case, I thank you again for your helpful thoughts, and look forward eagerly to seeing you in October.

Yours,

William Schuman
