Dear Mr. Temianka:

I have just received your letter of April 5. I am very sorry indeed that we were not able to hold the date of March 21, since the auspices who had asked for that date advised us that they must have an immediate answer early last week. I hope this does not too much complicate your plans, but could we now consider the dates we had originally discussed, that is April 3 through 7, 1969? Mr. SEGOVIA would be prepared to stay over after his last tour date on March 31 if you can use one of these dates.

The only other possible date would be March 26 or 27. Please let me know about this as soon as possible prior to your coming here. I shall look forward to seeing you later this month.

With best wishes,

Yours sincerely,

Walter Prude
