My dearRRudi:

It was good talking to you yesterday. Of course I am terribly disappointed that you won't agree to a mass manifestation of love and admiration during your lifetime, but I understand your feelings, and it is part of your unique quality as a human being. In any event, your health comes first.

It is generous of you to want to read the galleys of my book and to be willing to make some comment on it. I have mailed it to you and hope you will receive it promptly.

With all good wishes for a happy, and above all, healthy New Year,

Yours in old affection and friendship,

Henri Temianka
