Dear Bernie:

I am distressed by the fact that, after the stimulating luncheon meeting we had several months ago, neither my letters nor telephone calls generate any response from you. I know you have other concerns and exciting projects, but I believe at least one or two of the creative ideas we discussed could be put into effect without taking up too much of your time and energies.

I have listened again to the three-record set of the 15 Handel Sonatas which I recorded, in stereo, more than a decade ago for Everest. It is my conviction that to this date no better recording exists. Please let me acquire the master tapes from you if you have no intention of reissuing these recordings yourself.

Enclosed are copies of the letters I sent you on August 21st and August 24th, 1981. I refer you to the several other projects in which you expressed such enthusiasm when we met for lunch. Please take a few moments to review them and let me hear from you.

Very sincerely,

HENRI TEMIANKA
