Dear Mr. Temianka

This letter is long over-due, since several weeks have gone by following our meeting at the Beverly (Warner) Theatre.

I did enjoy meeting with you, and look forward to the possibility of developing a relationship between The California Chamber Orchestra and our theatre.

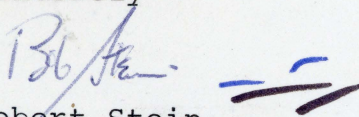

We are now in the process of the actual physical renovation and restoration of the facility, and further have firmed up our relationship with the Los Angeles Ballet.

In other words, our theatre is starting to become a reality, and I think that it might be timely for us to try to continue our discussions.

As I recall, you will be presenting a concert later this month at the Wilshire Ebel, and perhaps we should try to get together right after that.

In any event, do let us know when you would like to get together again.

Sincerely

Robert Stein
