Lied: Ich bin ein Luthersmann.

Dear Henri,

Your thinking of me on my birthday touched me deeply — heartfelt thanks. I never knew that you are one month older than I, always assumed you are much younger.

At an entrance examination at Juilliard I heard some time ago an excellent first-violinist, I forgot her name, who played I believe, Tchaikovsky's Concerto very beautifully — she was your student.

The conflicting dates of my birthday has the following reason. As a small boy of ca. 6 years

of age I saw in my father's old Bible on the
blank frontpage marked all the birthdates of my
five brothers and four sisters. The date of me
the youngest: Dec. 10th 1906 (Julian Calendar, which
of course is Dec. 23rd Gregorian Calendar) But my
father apparently did not notify the magistrate
in Odessa of my existence until Febr. 4th 1907.

Erika joins me in wishing you and your
dear family a healthy

Happy Good 1987

In alter Freundschaft (about 65 years)

Herzlichst,

Tosy

Please give my love to Rosy
