Mr. Henri Temianka

California Chamber Symphony

Dear Mr. Temianka:

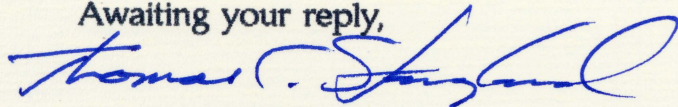

I have spent 14 years preparing for publication the 135 opus catalog of Paris-born(1939), American-Czech composer Tomas Svoboda.

Last year, 10 orchestral works by Svoboda were programmed. One work, Svoboda's bright and festive **Overture of the Season**, Op. 89 received its 100th performance.

This is the "discovery" and emergence of a world-class composer foreseen 30 years ago by Britten, Milhaud and Bohuslav Martinu.

I offer to you, without charge, a score and performance cassette of Svoboda's **Overture of the Season**, Op.89 for your personal library, so you can see for yourself the international importance of this man.

Awaiting your reply,

Thomas C. Stangland
