Mr. Isaac Stern  
211 Central Park West, Apt. 19-F  
New York, New York 10024

My Dear Isaac:

Because of the interest you expressed in Huberman, I am sending you the enclosed pages photocopied from my book, Facing The Music. Should you wish to have copies of several of Huberman's letters to me (in German), I shall be glad to send those, too.

It was good seeing you and Vera in Los Angeles. My New Year is incomplete without the traditional, annual photograph of the Stern Dynasty. Have you discontinued the tradition, or has it been lost in the mail? Please don't include me out, as it means a lot to me.

Hoping that we may have many more celebrations together,

Yours ever,

*Henri*
