Dear fellow rotorooter-er-er,

In reply to your short and pungent note, a picture of a girl would never have anything to do with any of my reactions. There is no substitute for the true human body.

It may interest you to know that every man who saw the picture thought it was wonderful and every woman thought it was terrible. Make of that what you will.

Will look forward to your article in Strad with anticipation. And certainly with enjoyment.

Fondest greetings from house to house.

As always,

Isaac Stern
