My dear Isaac:

Your warmhearted, generous letter gave me great pleasure and brought back memories that go back to the earliest days of our friendship in San Francisco. The second edition of your New Year's photograph reached me safely and has been added to my treasured collection of your annual happy family pictures. Please convey my thanks to Vera for her personal note. Stefan Zweig, who was a dear friend of mine, gave me an autographed copy of one of his best books, "Sternstunden der Menschheit". Tell Vera that I am contemplating using this as a title for the Stern picture gallery.

While in Philadelphia during April, I shall give you a call - perhaps there is time for a reunion.

Emmy joins me in sending you and your lovely family warmest regards and good wishes.

Yours ever,

Henri
