Dear Tempus Wyansebur, forgive this hasty note. I hope it finds you & your family in good health and spirits. Dr. Dresden's brother Sam, whom you have probably met in Holland is coming over here in August and is anxious to have, for sundry reasons, an invitation to lecture at some institution, that is in session at that time. I thought of Aspen, Col. and promised him to write you. If you can do anything, please notify our Dr. Arno Ed Dresden (Swarthmore College). Sam can talk interestingly on his long musical life in Amsterdam etc. etc.

Will shortly send you the parts of my string quartet. We have just tried it out for the first time. Greeting. Sincerely Alfred J. Swan

Dear [[Tenpus?]]. Forgive this hasty note.  
I hope it finds you, your family in good health and spirits. Dr Dresden's brother Jim, whom you have probably met in Holland is coming over here in [[one word]] and is anxious to have, for sundry reasons, an invitation to lecture at some institution, that is in session at that time. I thought of Aspen, Col. and promised him to write you. If you can do anything, please notify our Dr [[Ancho?]] W Dresden (Swarthmore College). Jim can talk interestingly on his long musical life in Amsterdam at the Hague.

Will shortly send you the parts of my String quartet. We have just tried it out for the first-time. Greetings. Sincerely Alfred J. Swan
