THE ROOM TREE, GIANT FOREST

This Giant Sequoia, hollowed out by ancient forest fires, contains a room fifteen feet across and forty feet high.

My dear Henri - late breastbone. The less thanks for tickets and charming pictures of you note. After 22 concerts, we took a real holiday that alas, is coming to a close. My reason here amounts to a wish was most satisfactorily. I am leaving my feet for 22 weeks at the Met. Write again to New York - Where shall we meet again? Love for us both -

My dear Temi – late but nonetheless thanks for [[one word]] and charming pictures of your wife – after 22 concerts in 9 weeks we took a real holiday that, alas, is drawing to a close. My season both winter and summer was most satisfying now I am bracing myself for 22 weeks at the Met. Write again to New York – when shall we meet again? Love from us both – Fondly
